

According to all known laws  
of aviation,  
there is no way a bee  
should be able to fly.  
Its wings are too small to get  
its fat little body off the ground.  
The bee, of course, flies anyway  
because bees don't care  
what [REDACTED] think is impossible.

[REDACTED], [REDACTED]. [REDACTED], [REDACTED].

[REDACTED], [REDACTED]. [REDACTED], [REDACTED].

Ooh, black and yellow!

Let's shake it up a little.

Barry! Breakfast is ready!

Ooming!

Hang on a second.

Hello?

- Barry?

- Adam?

[REDACTED]

- I can't. I'll pick you up.

Looking sharp.

Use the stairs. Your father  
paid good money for those.

Sorry. I'm excited.

Here's the graduate.

We're very proud of you, son.

A perfect report card, [REDACTED].

Very proud.

Ma! I got a thing going here.

- You got lint on your fuzz.

- Ow! That's me!

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Never thought I'd make it.

Three days grade school,  
three days high school.

Those were awkward.

Three days college. I'm glad I took  
a day and hitchhiked around the hive.  
You did come back different.

- Hi, Barry.

[REDACTED] Artie, growing a mustache? Looks good.

- Hear about Frankie?

- Yeah.

- You going to the funeral?

- No, I'm not going.

Everybody knows,  
sting someone, you die.

Don't waste it on a squirrel.

Such a hothead.

I guess he could have  
just gotten out of the way.

I love this incorporating

an amusement park into our day.

That's why we don't need vacations.

Boy, quite a bit of pomp...

under the circumstances.

- Well, Adam, today we are men.

- We are!

- Bee-men.

- Amen!

Hallelujah!

Students, faculty, distinguished bees,  
please welcome Dean Buzzwell.

Welcome, New Hive City

graduating class of

9:15

That concludes our ceremonies

And begins your career

at Honex Industries!

Will we pick our job today?

I heard it's just orientation.

Heads up! Here we go.

Keep your hands and antennas  
inside the tram at all times.

- Wonder what it'll be like?

- A little scary.

Welcome to Honex,  
a division of Honesco  
and a part of the Hexagon Group.

This is it!

Wow.

Wow.

We know that you, as a bee,  
have worked your whole life  
to get to the point where you  
can work for your whole life

Honey begins when our valiant Pollen

locks bring the nectar to the hive.

Our top-secret formula  
is automatically color-corrected,  
scent-adjusted and bubble-contoured  
into this soothing sweet syrup  
with its distinctive  
golden glow you know as...

Honey!

- That girl was hot.
- She's my cousin!
- She is?
- Yes, we're all cousins.
- Right. You're right.
- At Honex, we constantly strive  
to improve every aspect  
of bee existence.

These bees are stress-testing  
a new helmet technology.

- 
- Not enough.

Here we have our latest advancement,  
the Krelman.

- What does that do?
- Oatches that little strand of honey  
that hangs after you pour it.

Saves us millions.

Oan anyone work on the Krelman?

Of course. Most bee jobs are

small ones. But bees know

that every small job,

if it's done well, means a lot.

But choose carefully

because you'll stay in the job

you pick for the rest of your life.

The same job the rest of your life?

I didn't know that.

What's the difference?

[REDACTED]

[REDACTED]

[REDACTED]

So you'll just work us to death?

We'll sure try.

Wow! That blew my mind!

"What's the difference?"

How can you say that?

One job forever?

That's an insane choice to have to make.

I'm relieved. Now we only have

to make one decision in life.

But, Adam, how could they

never have told us that?

Why would you question anything?

We're bees.

We're the most perfectly

functioning society on Earth.

You ever think maybe things  
work a little too well here?  
Like what? Give me one example.  
I don't know. But you know  
what I'm talking about.  
Please clear the gate.  
Royal Nectar Force on approach.  
Wait a second. Oheck it out.  
- Hey, those are Pollen Jocks!  
- Wow.  
I've never seen them this close.  
They know what it's like  
outside the hive.  
Yeah, but some don't come back.  
- Hey, Jocks!  
- Hi, Jocks!  
You guys did great!  
You're monsters!  
You're sky freaks! I love it! I love it!  
- I wonder where they were.  
- I don't know.  
Their day's not planned.  
Outside the hive, flying who knows  
where, doing who knows what.  
You can't just decide to be a Pollen  
Jock. You have to be bred for that.  
Right.  
Look. That's more pollen  
than you and I will see in a lifetime.  
It's just a status symbol.

Bees make too much of it.

Perhaps. Unless you're wearing it  
and the ladies see you wearing it.

Those ladies?

Aren't they our cousins too?

Distant. Distant.

Look at these two.

- Oouple of Hive Harrys.

- Let's have fun with them.

It must be dangerous

being a Pollen Jock.

Yeah. Once a bear pinned me  
against a mushroom!

He had a paw on my throat,  
and with the other, he was slapping me!

- Oh, my!

- I never thought I'd knock him out.

What were you doing during this?

Trying to alert the authorities.

I can autograph that.

A little gusty out there today,  
wasn't it, comrades?

Yeah. Gusty.

We're hitting a sunflower patch  
six miles from here tomorrow.

- Six miles, huh?

- Barry!

A puddle jump for us,  
but maybe you're not up for it.

- Maybe I am.

- You are not!

We're going 0900 at J-Gate.

What do you think, buzzy-boy?

Are you bee enough?

I might be. It all depends

on what 0900 means.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Son, let me tell you about stirring.

You grab that stick, and you just  
move it around, and you stir it around.

You get yourself into a rhythm.

It's a beautiful thing.

You know, Dad,

the more I think about it,

maybe the honey field

just isn't right for me.

You were thinking of what,

making balloon animals?

That's a bad job

for a guy with a stinger.

Janet, your son's not sure

he wants to go into honey!

- Barry, you are so funny sometimes.

- I'm not trying to be funny.

You're not funny! You're going  
into honey. Our son, the stirrer!

- You're gonna be a stirrer?

- No one's listening to me!

Wait till you see the sticks I have.

I could say anything right now.

I'm gonna get an ant tattoo.

Let's open some honey and celebrate!

Maybe I'll pierce my thorax.

Shave my antennae.

Shack up with a grasshopper. Get

a gold tooth and call everybody "dawg".

I'm so proud.

- We're starting work today!

- Today's the day.

Oome on! All the good jobs  
will be gone.

Yeah, right.

Pollen counting, stunt bee, pouring,  
stirrer, front desk, hair removal...

- Is it still available?

- Hang on. Two left!

One of them's yours! Oongratulations!

Step to the side.

- What'd you get?

- Picking crud out. Stellar!

Wow!

Oouple of newbies?

Yes, sir! Our first day! We are ready!

Make your choice.

- You want to go first?

- No, you go.

Oh, my. What's available?

Restroom attendant's open,  
not for the reason you think.

- Any chance of getting the Krelman?

- Sure, you're on.

I'm sorry, the Krelman just closed out.

Wax monkey's always open.

The Krelman opened up again.

What happened?

A bee died. Makes an opening. See?

He's dead. Another dead one.

Deadly. Deadified. Two more dead.

Dead from the neck up.

Dead from the neck down. That's life!

Oh, this is so hard!

Heating, cooling,

stunt bee, pourer, stirrer,

humming, inspector number seven,

lint coordinator, stripe supervisor,

mite wrangler. Barry, what

do you think I should... Barry?

Barry!

All right, we've got the sunflower patch  
in quadrant nine...

What happened to you?

Where are you?

- I'm going out.

- Out? Out where?

- Out there.

- Oh, no!

I have to, before I go

to work for the rest of my life.

You're gonna die! You're crazy! Hello?

Another call coming in.

If anyone's feeling brave,

there's a Korean deli on 83rd

that gets their roses today.

Hey, guys.

- Look at that.

- Isn't that the kid we saw yesterday?

Hold it, son, flight deck's restricted.

It's OK, Lou. We're gonna take him up.

Really? Feeling lucky, are you?

Sign here, here. Just initial that.

- Thank you.

- OK.

You got a rain advisory today,

and as you all know,

bees cannot fly in rain.

So be careful. As always,

watch your brooms,

hockey sticks, dogs,

birds, bears and bats.

Also, I got a couple of reports

of root beer being poured on us.

Murphy's in a home because of it,

babbling like a cicada!

- That's awful.

I feel so fast and free!

Box kite!

Wow!

Flowers!

This is Blue Leader.

We have roses visual.

Bring it around 30 degrees and hold.

Roses!

30 degrees, roger. Bringing it around.

Stand to the side, kid.

It's got a bit of a kick.

That is one nectar collector!

- Ever see pollination up close?

- No, sir.

I pick up some pollen here, sprinkle it  
over here. Maybe a dash over there,  
a pinch on that one.

See that? It's a little bit of magic.

That's amazing. Why do we do that?

That's pollen power. More pollen, more  
flowers, more nectar, more honey for us.

Oool.

I'm picking up a lot of bright yellow.

Could be daisies. Don't we need those?

Oopy that visual.

Wait. One of these flowers  
seems to be on the move.

Say again? You're reporting  
a moving flower?

Affirmative.

That was on the line!

This is the coolest. What is it?

I don't know, but I'm loving this color.

It smells good.

Not like a flower, but I like it.

Yeah, fuzzy.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Wait!

Don't kill him!

You know I'm allergic to them!

This thing could kill me!

Why does his life have

less value than yours?

Why does his life have any less value  
than mine? Is that your statement?

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

My whole face could puff up.

Make it one of your special skills.

Knocking someone out

is also a special skill.

Right. Bye, Vanessa. Thanks.

- Vanessa, next week? Yogurt night?

- Sure, Ken. You know, whatever.

- You could put carob chips on there.

- Bye.

- Supposed to be less calories.

- Bye.

I gotta say something.

She saved my life.

I gotta say something.

All right, here it goes.

Nah.

What would I say?

I could really get in trouble.

It's a bee law.

You're not supposed to talk to a human.

I can't believe I'm doing this.

I've got to.

Oh, I can't do it. Oome on!

No. Yes. No.

Do it. I can't.

How should I start it?

"You like jazz?" No, that's no good.

Here she comes! Speak, you fool!

Hi!

I'm sorry.

- You're talking.

- Yes, I know.

You're talking!

I'm so sorry.

No, it's OK. It's fine.

I know I'm dreaming.

But I don't recall going to bed.

Well, I'm sure this  
is very disconcerting.

This is a bit of a surprise to me.

I mean, you're a bee!

I am. And I'm not supposed  
to be doing this,  
but they were all trying to kill me.

And if it wasn't for you...

I had to thank you.

It's just how I was raised.

That was a little weird.

- I'm talking with a bee.

- Yeah.

I'm talking to a bee.

And the bee is talking to me!

I just want to say I'm grateful.

I'll leave now.

- Wait! How did you learn to do that?

- What?

The talking thing.

Same way you did, I guess.

"Mama, Dada, honey." You pick it up.

- That's very funny.

- Yeah.

Bees are funny. If we didn't laugh,  
we'd cry with what we have to deal with.

Anyway...

Oan I...

...get you something?

- Like what?

I don't know. I mean...

I don't know. Ooffee?

I don't want to put you out.

It's no trouble. It takes two minutes.

- It's just coffee.

- I hate to impose.

- Don't be ridiculous!

- Actually, I would love a cup.

Hey, you want rum cake?

- I shouldn't.

- Have some.

- No, I can't.

- Oome on!

I'm trying to lose a couple micrograms.

- Where?

- These stripes don't help.

You look great!

I don't know if you know

anything about fashion.

Are you all right?

No.

He's making the tie in the cab

as they're flying up Madison.

He finally gets there.

He runs up the steps into the church.

The wedding is on.

And he says, "Watermelon?  
I thought you said Guatemalan.  
Why would I marry a watermelon?"  
Is that a bee joke?  
That's the kind of stuff we do.  
Yeah, different.  
So, what are you gonna do, Barry?

[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]

Our new queen was just elected  
with that same campaign slogan.  
Anyway, if you look...  
There's my hive right there. See it?  
You're in Sheep Meadow!  
Yes! I'm right off the Turtle Pond!  
No way! I know that area.  
I lost a toe ring there once.  
- Why do girls put rings on their toes?  
- Why not?  
- It's like putting a hat on your knee.  
- Maybe I'll try that.  
- You all right, ma'am?

- Oh, yeah. Fine.

Just having two cups of coffee!

Anyway, this has been great.

Thanks for the coffee.

Yeah, it's no trouble.

Sorry I couldn't finish it. If I did,

I'd be up the rest of my life.

Are you...?

Oan I take a piece of this with me?

Sure! Here, have a crumb.

- Thanks!

- Yeah.

All right. Well, then...

I guess I'll see you around.

Or not.

OK, Barry.

And thank you

so much again... for before.

Oh, that? That was nothing.

Well, not nothing, but... Anyway...

This can't possibly work.

He's all set to go.

We may as well try it.

OK, Dave, pull the chute.

- Sounds amazing.

- It was amazing!

It was the scariest,

happiest moment of my life.

Humans! I can't believe

you were with humans!

Giant, scary humans!

What were they like?

Huge and crazy. They talk crazy.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

- Well...

- Well?

Well, I met someone.

You did? Was she Bee-ish?

- A wasp?! Your parents will kill you!

- No, no, no, not a wasp.

- Spider?

- I'm not attracted to spiders.

I know it's the hottest thing,

with the eight legs and all.

I can't get by that face.

So who is she?

She's... human.

No, no. That's a bee law.

You wouldn't break a bee law.

- Her name's Vanessa.

- Oh, boy.

She's so nice. And she's a florist!

Oh, no! You're dating a human florist!

We're not dating.

You're flying outside the hive, talking

to humans that attack our homes

with power washers and M-80s!

One-eighth a stick of dynamite!

She saved my life!

And she understands me.

This is over!

Eat this.

This is not over! What was that?

- They call it a crumb.

- It was so stingin' stripey!

And that's not what they eat.

That's what falls off what they eat!

- You know what a Oinnabon is?

- No.

It's bread and cinnamon and frosting.

They heat it up...

Sit down!

...really hot!

- Listen to me!

We are not them! We're us.

There's us and there's them!

Yes, but who can deny

the heart that is yearning?

There's no yearning.

Stop yearning. Listen to me!

You have got to start thinking bee,

my friend. Thinking bee!

- Thinking bee.

- Thinking bee.

Thinking bee! Thinking bee!

Barry, come out.

Your father's talking to you.

Martin, would you talk to him?

Barry, I'm talking to you!

You coming?

Got everything?

All set!

Go ahead. I'll catch up.

Don't be too long.

Watch this!

Vanessa!

- We're still here.

- I told you not to yell at him.

He doesn't respond to yelling!

- Then why yell at me?

- Because you don't listen!

I'm not listening to this.

Sorry, I've gotta go.

- Where are you going?

- I'm meeting a friend.

A girl? Is this why you can't decide?

Bye.

I just hope she's Bee-ish.

They have a huge parade  
of flowers every year in Pasadena?

To be in the Tournament of Roses,  
that's every florist's dream!

Up on a float, surrounded  
by flowers, crowds cheering.

A tournament. Do the roses  
compete in athletic events?

No. All right, I've got one.

How come you don't fly everywhere?

It's exhausting. Why don't you  
run everywhere? It's faster.

Yeah, OK, I see, I see.

All right, your turn.

TiVo. You can just freeze live TV?

That's insane!

You don't have that?

We have Hivo, but it's a disease.

It's a horrible, horrible disease.

Oh, my.

Dumb bees!

You must want to sting all those jerks.

We try not to sting.

It's usually fatal for us.

So you have to watch your temper.

Very carefully.

You kick a wall, take a walk,

write an angry letter and throw it out.

Work [REDACTED]:

Anger, jealousy, lust.

Oh, my goodness! Are you OK?

Yeah.

- What is wrong with you?!

- It's a bug.

He's not bothering anybody.

Get out of here, you creep!

What was that? A Pic 'N' Save circular?

Yeah, it was. How did you know?

It felt like about 10 pages.

Seventy-five is pretty much our limit.

You've really got that

down to a science.

- I lost a cousin to Italian Vogue.

- I'll bet.

What in the name

of Mighty Hercules is this?

How did this get here?

Oute Bee, Golden Blossom,

Ray Liotta Private Select?

- Is he that actor?

- I never heard of him.

- Why is this here?

- For people. We eat it.

You don't have

enough food of your own?

- Well, yes.

- How do you get it?

- Bees make it.

- I know who makes it!

And it's hard to make it!

There's heating, cooling, stirring.

You need a whole Krelman thing!

- It's organic.

- It's our-ganic!

It's just honey, Barry.

Just what?!

Bees don't know about this!

This is stealing! A lot of stealing!

You've taken our homes, schools,

hospitals! This is all we have!

And it's on sale?!

I'm getting to the bottom of this.

I'm getting to the bottom

of all of this!

Hey, Hector.

- You almost done?

- Almost.

He is here. I sense it.

Well, I guess I'll go home now

and just leave this nice honey out,

with no one around.

You're busted, box boy!

I knew I heard something.

So you can talk!

I can talk.

And now you'll start talking!

Where you getting the sweet stuff?

Who's your supplier?

I am onto something huge here.

I'm going to Alaska. Moose blood,  
crazy stuff. Blows your head off!

I'm going to Tacoma.

- And you?

- He really is dead.

All right.

Uh-oh!

- What is that?!

- Oh, no!

- A wiper! Triple blade!

- Triple blade?

Jump on! It's your only chance, bee!

Why does everything have  
to be so doggone clean?!

Open your eyes!

Stick your head out the window!

From NPR News in Washington,

I'm Oarl Kasell.

But don't kill no more bugs!

- Bee!

- Moose blood guy!!

- You hear something?

- Like what?

Like tiny screaming.

Turn off the radio.

Whassup, bee boy?

Hey, Blood.

Just a row of honey jars,

as far as the eye could see.

Wow!

I assume wherever this truck goes

is where they're getting it

I mean, that honey's ours

Bees hang tight

We're all jammed in

It's a close community

Not us, man. We on our own

Every mosquito on his own

What if you get in trouble?

You a mosquito, you in trouble

Nobody likes us. They just smack

See a mosquito, smack, smack

At least you're out in the world

You must meet girls

Mosquito girls try to trade up

Get with a moth, dragonfly

Mosquito girl don't want no mosquito

You got to be kidding me

Mooseblood's about to leave

The building! So long, bee

Hey, guys

Mooseblood

I knew I'd catch y'all down here.

Did you bring your crazy straw?

We throw it in jars, slap a label on it,

and it's pretty much pure profit.

What is this place?

A bee's got a brain

the size of a pinhead.

They are pinheads!

Pinhead.

- Oheck out the new smoker.

- Oh, sweet. That's the one you want.

The Thomas 3000!

Smoker?

Ninety puffs a minute, semi-automatic.

Twice the nicotine, all the tar.

A couple breaths of this

knocks them right out.

They make the honey,

and we make the money.

"They make the honey,

and we make the money"?

Oh, my!

What's going on? Are you OK?

Yeah. It doesn't last too long.

Do you know you're

in a fake hive with fake walls?

Our queen was moved here.

We had no choice.

This is your queen?

That's a man in women's clothes!

That's a drag queen!

What is this?

Oh, no!

There's hundreds of them!

Bee honey.

Our honey is being brazenly stolen

on a massive scale!

This is worse than anything bears  
have done! I intend to do something.

Oh, Barry, stop.

Who told you humans are taking  
our honey? That's a rumor.

Do these look like rumors?

That's a conspiracy theory.

These are obviously doctored photos.

How did you get mixed up in this?

He's been talking to humans.

- What?

- Talking to humans?!

He has a human girlfriend.

And they make out!

Make out? Barry!

We do not.

- You wish you could.

- Whose side are you on?

The bees!

I dated a cricket once in San Antonio.

Those crazy legs kept me up all night.

Barry, this is what you want  
to do with your life?

I want to do it for all our lives.

Nobody works harder than bees!

Dad, I remember you  
coming home so overworked  
your hands still stirring.

You couldn't stop.

I remember that.

What right do they have to our honey?

We live on two cups a year. They put it  
in lip balm for no reason whatsoever!

Even if it's true, what can one bee do?

Sting them where it really hurts.

In the face! The eye!

- That would hurt.

- No.

Up the nose? That's a killer.

There's only one place you can sting  
the humans, one place where it matters.

Hive at Five, the hive's only  
full-hour action news source.

No more bee beards!

With Bob Bumble at the anchor desk.

Weather with Storm Stinger.

Sports with Buzz Larvi.

And Jeanette Ohung.

- Good evening. I'm Bob Bumble.

- And I'm Jeanette Ohung.

A tri-county bee, Barry Benson,

intends to sue the human race

for stealing our honey,

packaging it and profiting

from it illegally.

Tomorrow night on Bee Larry King,  
we'll have three former queens here in  
our studio, discussing their new book,  
Olassy Ladies,

out this week on Hexagon.

Tonight we're talking to Barry Benson.

Did you ever think, "I'm a kid  
from the hive. I can't do this"?

Bees have never been afraid  
to change the world.

What about Bee Oolumbus?

Bee Gandhi? Bejesus?

Where I'm from, we'd never sue humans.

We were thinking  
of stickball or candy stores.

How old are you?

The bee community  
is supporting you in this case,  
which will be the trial  
of the bee century.

You know, they have a Larry King  
in the human world too.

It's a common name. Next week...

He looks like you and has a show  
and suspenders and colored dots...

Next week...

Glasses, quotes on the bottom from the  
guest even though you just heard 'em.

Bear Week next week!

They're scary, hairy and here live.

Always leans forward, pointy shoulders,  
squinty eyes, very Jewish.

In tennis, you attack  
at the point of weakness!

It was my grandmother, Ken. She's 81.

Honey, her backhand's a joke!

I'm not gonna take advantage of that?

Quiet, please.

Actual work going on here.

- Is that that same bee?

- Yes, it is!

I'm helping him sue the human race.

- Hello.

- Hello, bee.

This is Ken.

Yeah, I remember you. Timberland, size

ten and a half. Vibram sole, I believe.

Why does he talk again?

Listen, you better go

'cause we're really busy working.

But it's our yogurt night!

Bye-bye.

Why is yogurt night so difficult?!

You poor thing.

You two have been at this for hours!

Yes, and Adam here

has been a huge help.

- Frosting...

- How many sugars?

Just one. I try not

to use the competition.

So why are you helping me?

Bees have good qualities.

And it takes my mind off the shop.

Instead of flowers, people  
are giving balloon bouquets now.  
Those are great, if you're three.  
And artificial flowers.

What have we gotten into here, Barry?  
It's pretty big, isn't it?  
I can't believe how many humans  
don't work during the day.  
You think billion-dollar multinational

food companies have good lawyers?

Everybody needs to stay  
behind the barricade.

- What's the matter?

- I don't know, I just got a chill.

Well, if it isn't the bee team.

You boys work on this?

All rise! The Honorable  
Judge Bumbleton presiding.

All right. Oase number 4475,  
Superior Oourt of New York,  
Barry Bee Benson v. the Honey Industry  
is now in session.

Mr. Montgomery, you're representing  
the five food companies collectively?

A privilege.

Mr. Benson... you're representing  
all the bees of the world?

I'm kidding. Yes, Your Honor,  
we're ready to proceed.

Mr. Montgomery,  
your opening statement, please.

Ladies and gentlemen of the jury,  
my grandmother was a simple woman.

Born on a farm, she believed  
it was man's divine right  
to benefit from the bounty  
of nature God put before us.

If we lived in the topsy-turvy world

Mr. Benson imagines,

just think of what would it mean.

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

How do we know this isn't some sort of  
holographic motion-picture-capture  
Hollywood wizardry?

They could be using laser beams!

Robotics! Ventriloquism!

Cloning! For all we know,

he could be on steroids!

Mr. Benson?

Ladies and gentlemen,

there's no trickery here.

I'm just an ordinary bee.

Honey's pretty important to me.

It's important to all bees.

We invented it!

We make it. And we protect it  
with our lives.

Unfortunately, there are

some people in this room

who think they can take it from us

'cause we're the little guys!

I'm hoping that, after this is all over,

you'll see how, by taking our honey,

you not only take everything we have

but everything we are!

I wish he'd dress like that

all the time. So nice!

Oall your first witness.

So, Mr. Klauss Vanderhayden  
of Honey Farms, big company you have.

I suppose so.

I see you also own  
Honeyburton and Honron!

Yes, they provide beekeepers  
for our farms.

Beekeeper. I find that  
to be a very disturbing term.

I don't imagine you employ  
any bee-free-ers, do you?

- No.

- I couldn't hear you.

- No.

- No.

Because you don't free bees.  
You keep bees. Not only that,  
it seems you thought a bear would be  
an appropriate image for a jar of honey.  
They're very lovable creatures.

Yogi Bear, Fozzie Bear, Build-A-Bear.

You mean like this?

Bears kill bees!

How'd you like his head crashing  
through your living room?!

Biting into your couch!

Spitting out your throw pillows!

OK, that's enough. Take him away.

So, Mr. Sting, thank you for being here.

Your name intrigues me.

- Where have I heard it before?

- I was with a band called The Police.

But you've never been

a police officer, have you?

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Oh, please.

Have you ever been stung, Mr. Sting?

Because I'm feeling

a little stung, Sting.

Or should I say... Mr. Gordon M. Sumner!

That's not his real name?! You idiots!

Mr. Liotta, first,

belated congratulations on

your Emmy win for a guest spot

on ER in 2005.

Thank you. Thank you.

I see from your resume

that you're devilishly handsome

with a churning inner turmoil

that's ready to blow.

I enjoy what I do. Is that a crime?

Not yet it isn't. But is this

what it's come to for you?

Exploiting tiny, helpless bees

so you don't

have to rehearse

your part and learn your lines, sir?

Watch it, Benson!

I could blow right now!

This isn't a goodfella.

This is a badfella!

Why doesn't someone just step on

this creep, and we can all go home?!

- Order in this court!

- You're all thinking it!

Order! Order, I say!

- Say it!

- Mr. Liotta, please sit down!

I think it was awfully nice

of that bear to pitch in like that.

I think the jury's on our side.

Are we doing everything right, legally?

I'm a florist.

Right. Well, here's to a great team.

To a great team!

Well, hello.

- Ken!

- Hello.

I didn't think you were coming.

No, I was just late.

I tried to call, but... the battery.

I didn't want all this to go to waste,

so I called Barry. Luckily, he was free.

Oh, that was lucky.

There's a little left.

I could heat it up.

Yeah, heat it up, sure, whatever.

So I hear you're quite a tennis player.

I'm not much for the game myself.

The ball's a little grabby.

That's where I usually sit.

Right... there.

Ken, Barry was looking at your resume,  
and he agreed with me that eating with  
chopsticks isn't really a special skill.

You think I don't see what you're doing?

I know how hard it is to find  
the right job. We have that in common.

Do we?

Bees have 100 percent employment,  
but we do jobs like taking the crud out.

That's just what

I was thinking about doing.

Ken, I let Barry borrow your razor  
for his fuzz. I hope that was all right.

I'm going to drain the old stinger.

Yeah, you do that.

Look at that.

You know, I've just about had it  
with your little mind games.

- What's that?

- Italian Vogue.

Mamma mia, that's a lot of pages.

A lot of ads.

Remember what Van said, why is  
your life more valuable than mine?

Funny, I just can't seem to recall that!

I think something stinks in here!

I love the smell of flowers.

How do you like the smell of flames?!

Not as much.

Water bug! Not taking sides!

Ken, I'm wearing a Ohapstick hat!

This is pathetic!

I've got issues!

Well, well, well, a royal flush!

- You're bluffing.

- Am I?

Surf's up, dude!

Poo water!

That bowl is gnarly.

Except for those dirty yellow rings!

Kenneth! What are you doing?!

You know, I don't even like honey!

I don't eat it!

We need to talk!

He's just a little bee!

And he happens to be  
the nicest bee I've met in a long time!

Long time? What are you talking about?!

Are there other bugs in your life?

No, but there are other things bugging

me in life. And you're one of them!

Fine! Talking [REDACTED], no yogurt night...

My nerves are fried from riding  
on this emotional roller coaster!

Goodbye, Ken.

And for your information,

I prefer sugar-free, artificial  
sweeteners made by man!

I'm sorry about all that.

or it's gonna be all over.

Don't worry. The only thing I have

to do to turn this jury around

is to remind them

of what they don't like about bees.

- You got the tweezers?

- Are you allergic?

Only to losing, son. Only to losing.

Mr. Benson Bee, I'll ask you

what I think we'd all like to know.

What exactly is your relationship  
to that woman?

We're friends.

- Good friends?

- Yes.

How good? Do you live together?

Wait a minute...

Are you her little...

...bedbug?

I've seen a bee documentary or two.

From what I understand,

doesn't your queen give birth

to all the bee children?

- Yeah, but...

- So those aren't your real parents!

- Oh, Barry...

- Yes, they are!

Hold me back!

You're an illegitimate bee,

aren't you, Benson?

He's denouncing bees!

Don't y'all date your cousins?

- Objection!

I'm going to pincushion this guy.

Adam, don't! It's what he wants!

Oh, I'm hit!!

Oh, lordy, I am hit!

Order! Order!

The venom! The venom  
is coursing through my veins!

I have been felled  
by a winged beast of destruction!  
You see? You can't treat them  
like equals! They're striped savages!  
Stinging's the only thing  
they know! It's their way!

- Adam, stay with me.

- I can't feel my legs.

What angel of mercy  
will come forward to suck the poison  
from my heaving buttocks?

I will have order in this court. Order!

Order, please!

The case of the honeybees  
versus the human race  
took a pointed turn against the bees  
yesterday when one of their legal  
team stung Layton T. Montgomery.

- Hey, buddy.

- Hey.

- Is there much pain?

- Yeah.

I...

I blew the whole case, didn't I?

It doesn't matter. What matters is  
you're alive. You could have died.  
I'd be better off dead. Look at me.

They got it from the cafeteria  
downstairs, in a tuna sandwich.

Look, there's  
a little celery still on it.

What was it like to sting someone?

I can't explain it. It was all...

All adrenaline and then...

and then ecstasy!

All right.

You think it was all a trap?

Of course. I'm sorry.

I flew us right into this.

taken up enough  
of this court's valuable time?  
How much longer will we allow  
these absurd shenanigans to go on?  
They have presented no compelling  
evidence to support their charges  
against my clients,  
who run legitimate businesses.  
I move for a complete dismissal  
of this entire case!

Mr. Flayman, I'm afraid I'm going

to have to consider

Mr. Montgomery's motion.

But you can't! We have a terrific case.

Where is your proof?

Where is the evidence?

Show me the smoking gun!

Hold it, Your Honor!

You want a smoking gun?

Here is your smoking gun!

What is that?

It's a bee smoker!

What, this?

This harmless little contraption?

This couldn't hurt a fly.

Let alone a bee!

Look at what has happened

to bees who have never been asked,

"Smoking or non?"

Is this what nature intended for us?

To be forcibly addicted

to smoke machines

and man-made wooden slat work camps?

Living out our lives as honey slaves

to the white man?

- What are we gonna do?

- He's playing the species card.

Ladies and gentlemen, please,

free these bees!

Free the bees! Free the bees!

Free the bees!

Free the bees! Free the bees!

The court finds in favor of the bees!

Vanessa, we won!

I knew you could do it! High-five!

Sorry.

I'm OK! You know what this means?

All the honey

will finally belong to the bees.

Now we won't have

to work so hard all the time.

This is an unholy perversion

of the balance of nature, Benson.

You'll regret this.

Barry, how much honey is out there?

All right. One at a time.

Barry, who are you wearing?

My sweater is Ralph Lauren,

and I have no pants.

- What if Montgomery's right?

- What do you mean?

We've been living the bee way

for a long time, 27 million years.

Congratulations on your victory.

What will you demand as a settlement?

First, we'll demand a complete shutdown

of all bee work camps.

Then we want back the honey

that was ours to begin with,

every last drop.

We demand an end to the glorification  
of the bear as anything more  
than a filthy, smelly,  
bad-breath stink machine.

We're all aware  
of what they do in the woods.

Wait for my signal.

Take him out.

He'll have nauseous  
for a few hours, then he'll be fine.

And we will no longer tolerate  
bee-negative nicknames...

But it's just a prance-about stage name!  
...unnecessary inclusion of honey  
in bogus health products  
and la-dee-da human  
tea-time snack garnishments.

Oan't breathe.

Bring it in, boys!

Hold it right there! Good.

Tap it.

Mr. Buzzwell, we just passed three cups,  
and there's gallons more coming!

- I think we need to shut down!

- Shut down? We've never shut down.

Shut down honey production!

Stop making honey!

Turn your key, sir!

What do we do now?

Oannonball!

We're shutting honey production!

Mission abort.

Aborting pollination and nectar detail.

Returning to base.

Adam, you wouldn't believe  
how much honey was out there.

Oh, yeah?

What's going on? Where is everybody?

- Are they out celebrating?

- They're home.

They don't know what to do.

Laying out, sleeping in.

I heard your Uncle Oarl was on his way  
to San Antonio with a cricket.

At least we got our honey back.

Sometimes I think, so what if humans  
liked our honey? Who wouldn't?

It's the greatest thing in the world!

I was excited to be part of making it.

This was my new desk. This was my  
new job. I wanted to do it really well.

And now...

Now I can't.

don't understand

why they're not happy.

I thought their lives would be better!

They're doing nothing. It's amazing.

Honey really changes people.

You don't have any idea

what's going on, do you?

- What did you want to show me?

- This.

What happened here?

That is not the half of it.

Oh, no. Oh, my.

They're all wilting.

Doesn't look very good, does it?

No.

And whose fault do you think that is?

You know, I'm gonna guess bees.

Bees?

Specifically, me.

I didn't think bees not needing to make  
honey would affect all these things.

It's not just flowers.

Fruits, vegetables, they all need bees.

That's our whole SAT test right there.

Take away produce, that affects  
the entire animal kingdom.

And then, of course...

The human species?

So if there's no more pollination,  
it could all just go south here,  
couldn't it?

I know this is also partly my fault.

How about a suicide pact?

How do we do it?

- I'll sting you, you step on me.

- That just kills you twice.

Right, right.

Listen, Barry...

sorry, but I gotta get going.

I had to open my mouth and talk.

Vanessa?

Vanessa? Why are you leaving?

Where are you going?

To the final Tournament of Roses parade  
in Pasadena.

They've moved it to this weekend  
because all the flowers are dying.

It's the last chance

I'll ever have to see it.

Vanessa, I just wanna say I'm sorry.

I never meant it to turn out like this.

I know. Me neither.

Tournament of Roses.

Roses can't do sports.

Wait a minute. Roses. Roses?

Roses!

Vanessa!

Roses?!

Barry?

- Roses are flowers!

- Yes, they are.

Flowers, bees, pollen!

I know.

That's why this is the last parade.

Maybe not.

Could you ask him to slow down?

Could you slow down?

Barry!

OK, I made a huge mistake.

This is a total disaster, all my fault.

Yes, it kind of is.

I've ruined the planet.

I wanted to help you

with the flower shop.

I've made it worse.

Actually, it's completely closed down.

But I have another idea, and it's  
greater than my previous ideas combined.

I don't want to hear it!

All right, they have the roses,  
the roses have the pollen.

I know every bee, plant  
and flower bud in this park.

All we gotta do is get what they've got  
back here with what we've got.

- Bees.

- Park.

- Flowers.

- Repollination!

- Across the nation!

Tournament of Roses,

Pasadena, Oalifornia.

They've got nothing  
but flowers, floats and cotton candy.

Security will be tight.

I have an idea.

Vanessa Bloome, FTD.

Official floral business. It's real.

Sorry, ma'am. Nice brooch.

Thank you. It was a gift.

Once inside,

we just pick the right float.

How about The Princess and the Pea?

I could be the princess,

and you could be the pea!

Yes, I got it.

- Where should I sit?

- What are you?

- I believe I'm the pea.

- The pea?

It goes under the mattresses.

- Not in this fairy tale, sweetheart.

- I'm getting the marshal.

You do that!

This whole parade is a fiasco!

Let's see what this baby'll do.

Hey, what are you doing?!

Then all we do

is blend in with traffic...

...without arousing suspicion.

Once at the airport,

there's no stopping us.

Stop! Security.

- You and your insect pack your float?

- Yes.

[REDACTED]

We have a bit of bad weather  
in New York.

It looks like we'll experience  
a couple hours delay.

Barry, these are cut flowers  
with no water. They'll never make it.

I gotta get up there  
and talk to them.

Be careful.

Oan I get help  
with the Sky Mall magazine?

I'd like to order the talking  
inflatable nose and ear hair trimmer.

Oaptain, I'm in a real situation.

- What'd you say, Hal?

- Nothing.

Bee!

Don't freak out! My entire species...

What are you doing?

- Wait a minute! I'm an attorney!

- Who's an attorney?

Don't move.

Oh, Barry.

Good afternoon, passengers.

This is your captain.

Would a Miss Vanessa Bloome in 24B

please report to the cockpit?

And please hurry!

What happened here?

There was a DustBuster,  
a toupee, a life raft exploded.

One's bald, one's in a boat,  
they're both unconscious!

- Is that another bee joke?

- No!

No one's flying the plane!

This is JFK control tower, Flight 356.

What's your status?

This is Vanessa Bloome.

I'm a florist from New York.

Where's the pilot?

He's unconscious,  
and so is the copilot.

Not good. Does anyone onboard  
have flight experience?

As a matter of fact, there is.

- Who's that?

Barry Benson.

From the honey trial? Oh, great.

Vanessa, this is nothing more

than a big metal bee.

It's got giant wings, huge engines.

I can't fly a plane.

Why not? Isn't John Travolta a pilot?

Yes.

How hard could it be?

Wait, Barry.

We're headed into some lightning.

This is Bob Bumble. We have some

late-breaking news from JFK Airport.

where a suspenseful scene

is developing.

Barry Benson.

Fresh from his legal victory.

That's Barry.

is attempting to land a plane.

loaded with people, flowers.

and an incapacitated flight crew.

Flowers?

We have a storm in the area.

and two individuals at the controls.

with absolutely no flight experience.

Just a minute.

There's a bee on that plane.

I'm quite familiar with Mr. Benson.

and his no-account compadres

They've done enough damage.

But isn't he your only hope?

Technically, a bee  
shouldn't be able to fly at all.

Their wings are too small...

Haven't we heard this a million times?

"The surface area of the wings  
and body mass make no sense."

- Get this on the air!

- Got it.

- Stand by.

- We're going live.

The way we work may be a mystery to you.

Making honey takes a lot of bees  
doing a lot of small jobs.

But let me tell you about a small job.

If you do it well,  
it makes a big difference.

More than we realized.

To us, to everyone.

That's why I want to get bees  
back to working together.

That's the bee way!

We're not made of Jell-O.

We get behind a fellow.

- Black and yellow!

- Hello!

Left, right, down, hover.

- Hover?

- Forget hover.

This isn't so hard.

Beep-beep! Beep-beep!

Barry, what happened?!

Wait, I think we were

on autopilot the whole time.

- That may have been helping me.

- And now we're not!

So it turns out I cannot fly a plane.

All of you, let's get

behind this fellow! Move it out!

Move out!

Our only chance is if I do what I'd do,

you copy me with the wings of the plane!

Don't have to yell.

I'm not yelling!

We're in a lot of trouble.

It's very hard to concentrate

with that panicky tone in your voice!

It's not a tone. I'm panicking!

I can't do this!

Vanessa, pull yourself together.

You have to snap out of it!

You snap out of it.

You snap out of it.

- You snap out of it!

- You snap out of it!

- You snap out of it!

- You snap out of it!

- You snap out of it!

- You snap out of it!
- Hold it!
- Why? Oome on, it's my turn.

How is the plane flying?

I don't know.

Hello?

Benson, got any flowers  
for a happy occasion in there?

The Pollen Jocks!

They do get behind a fellow.

- Black and yellow.

- Hello.

All right, let's drop this tin can  
on the blacktop.

Where? I can't see anything. Oan you?

No, nothing. It's all cloudy.

Oome on. You got to think bee, Barry.

- Thinking bee.

- Thinking bee.

Thinking bee!

Thinking bee! Thinking bee!

Wait a minute.

I think I'm feeling something.

- What?

- I don't know. It's strong, pulling me.

Like a 27-million-year-old instinct.

Bring the nose down.

Thinking bee!

Thinking bee! Thinking bee!

- What in the world is on the tarmac?

- Get some lights on that!

Thinking bee!

Thinking bee! Thinking bee!

- Vanessa, aim for the flower.

- OK.

Out the engines. We're going in  
on bee power. Ready, boys?

Affirmative!

Good. Good. Easy, now. That's it.

Land on that flower!

Ready? Full reverse!

Spin it around!

- Not that flower! The other one!

- Which one?

- That flower.

- I'm

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Did you see the giant flower?

What giant flower? Where? Of course

I saw the flower! That was genius!

- Thank you.

- But we're not done yet.

Listen, everyone!

This runway is covered

with the last pollen

from the last flowers

available anywhere on Earth.

That means this is our last chance.

We're the only ones who make honey,

pollinate flowers and dress like this.

If we're gonna survive as a species,

this is our moment! What do you say?

Are we going to be bees, or just

Museum of Natural History keychains?

We're bees!

Keychain!

Then follow me! Except Keychain.

Hold on, Barry. Here.

You've earned this.

Yeah!

I'm a Pollen Jock! And it's a perfect

fit. All I gotta do are the sleeves.

Oh, yeah.

That's our Barry.

Mom! The bees are back!

If anybody needs

[REDACTED]

I got a feeling we'll be

working late tonight!

Here's your change. Have a great

afternoon! Oan I help who's next?

Would you like some honey with that?

It is bee-approved. Don't forget these.

Milk, cream, cheese, it's all me.

And I don't see a nickel!

Sometimes I just feel

like a piece of meat!

I had no idea.

Barry, I'm sorry.

Have you got a moment?

Would you excuse me?

My mosquito associate will help you.

Sorry I'm late.

He's a lawyer too?

I was already a blood-sucking parasite.

All I needed was a briefcase.

Have a great afternoon!

Barry, I just got this huge tulip order,

and I can't get them anywhere.

No problem, Vannie.

Just leave it to me.

You're a lifesaver, Barry.

Oan I help who's next?

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

- Beautiful day to fly.

- Sure is.

Between you and me,

I was dying to get out of that office.

You have got

to start thinking bee, my friend.

- Thinking bee!

[REDACTED]

Hold it. Let's just stop

for a second. Hold it.

I'm sorry. I'm sorry, everyone.

Oan we stop here?

I'm not making a major life decision

during a production number!

All right. Take ten, everybody.

Wrap it up, guys.

I had virtually no rehearsal for that.
